Investing is easy in our Northfield community share offer

Calder Valley Community Land Trust is rooted in our local community, run by and for the people of the Calder Valley. We seek out new and different ways of working to find housing solutions that work best for our local community.

In partnership with you, we can give local people the peace of mind that a secure affordable tenancy provides, through the purchase and refurbishment of a house on Northfield.

The business plan and share offer documents provide the detail you need to make your decision. They are available by scanning the QR code or requesting them at info@caldervalleyclt.org.uk or on 07942 361205.

Please invest from £50 to £15,000 to create a community asset for the people of Heptonstall, providing an affordable home for generations to come.

The share offer is open until 27th January 2026.
